The screenshot shows the homepage of Circulo Verde. At the top left is the logo, a stylized green tree with roots. To its right is a banner for a diploma in "Diseño y Construcción Sostenibles" (Sustainable Design and Construction) from February 21 to July 5, 2012. The banner includes contact information for Carlos Delgado and social media links for Arquitectura.lbero and ArqIBERO. Below the banner is a navigation menu with links: "¿ Quiénes Somos ?", "Planeta", "Edifica Verde", "Negocios", and "Contacto". On the left is a "Submenu" with categories like "Cambio Climático", "Sustentabilidad", "Educación", "Universidades", "Familias", "Organismos", "Me interesa", "Sabías Qué...", and "Noticias". The main content area is titled "Universidades" and features a section for the "Concurso Estudiantil: Imagina tu Campus Responsable". This section includes a small image of a green building, the text "Concurso Estudiantil de Responsabilidad Social 'Imagina Tu Campus Responsable'", the deadline "Participa antes del 20 de febrero del 2012", and prizes: "Envía tu artículo y gana! 2 boletos de avión, 10 suscripciones a revistas, 10 publicaciones del UNFPA". A "ver más >>>" link is at the bottom of the announcement.
